SCHEDULE I - EARNED INCOME

Name Frank R. Wolf

List the source, type, and amount of earned income from any source (other than the filer's current employment by the U.S. Government) totaling $200 or more during the preceding calendar year. For a spouse, list the source and amount of any honoraria; list only the source for other spouse earned income exceeding $1,000.

Source	Type	Amount
Hartford Leaders Plus IRA	Required minimum distribution	$11,924
Hartford Leaders Plus IRA	Spouse required minimum distribution	$1,462

SCHEDULE III - ASSETS AND "UNEARNED" INCOME

Name Frank R. Wolf

	BLOCK A **Asset and/or Income Source** Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other reportable asset or sources of income which generated more than $200 in "unearned" income during the year. Provide complete names of stocks and mutual funds (do not use ticker symbols.) For all IRAs and other retirement plans (such as 401(k) plans) that are self-directed (i.e.,plans in which you have the power, even if not exercised, to select the specific investments), provide the value for each asset held in the account that exceeds the reporting thresholds. For retirement accounts which are not self-directed, provide only the name of the institution holding the account and its value at the end of the reporting period. For rental or other real property held for investment, provide a complete address. For an ownership interest in a privately-held business that is not publically traded, state the name of the business, the nature of its activities, and its geographic location in Block A. Exclude: Your personal residence, including second homes and vacation homes (unless there was rental income during the reporting period); any deposits totaling $5,000 or less in a personal checking or saving accounts; and any financial interest in, or income derived from, a federal retirement program, including the Thrift Savings Plan. If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC), or is jointly held with your spouse (JT), in the optional column on the far left.	BLOCK B **Year-End Value of Asset** At close of reporting year. If you use a valuation method other than fair market value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None."	BLOCK C **Type of Income** Check all columns that apply. For retirement accounts that do not allow you to choose specific investments or that generate tax-deferred income (such as 401(k) plans or IRAs), you may check the "None" column. Dividends, interest, and capital gains, even if reinvested, must be disclosed as income. Check "None" if the asset generated no income during the reporting period.	BLOCK D **Amount of Income** For retirement accounts that do not allow you to choose specific investments or that generate tax-deferred income (such as 401(k) plans or IRAs), you may check the "None" column. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, interest, and capital gains, even if reinvested, must be disclosed as income. Check "None" if no income was earned or generated.	BLOCK E **Transaction** Indicate if asset had purchases (P), sales (S), or exchanges (E) exceeding $1,000 in reporting year.

Shareholder Information

- In December, your fund paid its regular dividend and an additional dividend. As a result, the fund's January distribution will be based on a 20-day rather than the standard 30-day accrual period and thus the dividend amount may be less than has been usual. Dividends vary based on the fund's income. Past dividends are not indicative of future trends.
- In December your fund's dividend was adjusted from 4.08 to 4.01 cents per share. Dividends vary based on the fund's income. Past dividends are not indicative of future trends.

ADDITIONAL INFORMATION

Maximum Anniversary Value (MAV) $366,222.25

The MAV above is for illustration purposes only and is based on the oldest age of the Owners and Annuitants currently on file. The MAV actual values may differ and will be based on the actual decedent, age at death, and the highest anniversary value (adjusted for subsequent surrenders/premium payments) attained prior to the earliest of the date of death or decedent's 81st Birthday.

The MAV is not equivalent to the final Death Benefit; it is only one component of the overall Death Benefit calculation. The Death Benefit will be calculated on all contracts associated with this client the day we receive the certified death certificate. Once the Death Benefit is calculated, the benefit amount remains invested and is subject to market fluctuation until complete settlement instructions are received. Contractual and prospectus provisions will be the sole and final determinant of all Death Benefits.

Premium Enhancement Since Inception $9,613.68

YTD 2011 Taxable Distributions $11,924.47

YTD 2011 State & Federal Taxes Withheld $4,173.56

Do not use this statement to prepare your Annual Tax filing. Your 1099-R, which will be mailed to your mailing address by January 31st, will reflect your final information.

"The Hartford" is The Hartford Financial Services Group, Inc., and its subsidiaries, including the issuing companies of Hartford Life Insurance Company and Hartford Life and Annuity Insurance Company.

Taxable distributions (including certain deemed distributions) are subject to ordinary income tax and, if made prior to age 59½, may also be subject to a 10% federal income tax penalty. Early surrender charges may also apply.

Continuous or periodic investment plans neither ensure a profit nor protect against a loss in declining markets. Because these programs involve continuous investing regardless of fluctuating price levels, you should carefully consider your financial ability to continue investing through periods of fluctuating market prices.

Investing in a variable annuity through a tax-advantaged retirement plan such as an IRA provides no additional tax advantage from the variable annuity and should only be considered if it makes sense because of the annuity's other features, such as lifetime income payments or death benefit protection.
